

ALLANTIQUES MARKETPLACE

I am offering the opportunity to sell 3 items in our marketplace. For free for 3 months*. No fee, no commission. Although no sale is guaranteed, what have you got to lose? After 3 months review the situation. You are responsible for dispatching the item and letting us know that a sale is complete. Payments are normally via Paypal, which gives security to buyer and seller.

You will have to supply 3 very good quality photographs of your item and an accurate description and price (by email).

*** In return, you can please mention our website to at least 5 potential buyers. Ask them to visit the website. The more traffic we generate, the better the chance of building sales.**

Items for sale should be smaller ceramics, silver etc. which is consistent with our range.
